# The Land of Confusion

by chetan & tom

The story that you are about to read started out with no story or plot in mind. Each page was plotted, drawn and scripted as we went along. Once a batch of pages were completed, the artwork was passed along to the other person. And so forth. We did not talk about any story ideas, just went with what came to our mind.

THEY'RE  
EVERYWHERE

LAND OF CONFUSION

YOU WILL HAVE  
TO RE-CLAIM YOUR
